WOOD COMPONENTS

MATERIAL & RESOURCES

Certified Wood:

For projects looking to incorporate FSC® certified wood products into their installations we can provide FSC COC [Chain of Custody] certified wood in the manufacturing of our MAXAM, MAXAM+ classic wood decks, Quattro Collection and Metro Collection products at an additional charge. Hussey Seating Company has been certified in the production of spectator seating using the transfer system. Certification Code: SCS-COC-003771.

Hussey Seating is proud to work with suppliers and partners whom are FSC Certified and use sound forest management practices to best help manage our global natural resources.

INDOOR ENVIRONMENTAL QUALITY

Composite Woods and Laminated Adhesives:

Hussey Seating Company incorporates solid-core ply-form panels in following products:

- MAXAM Telescopic Gym Seating System
- MAXAM Telescopic Platform Seating System
- Quattro Seating Collection
- Quattro Traditional Seating Collection

All the solid-core ply-form panels are manufactured at global locations with resins which are free of added urea-formaldehyde meeting or exceeding the requirements of USGBC, LEED and / or BIFMA for seating related products.
